 Deposit \$.....

The Roonka water activity centre is owned by Scouts SA and is situated on the banks of the River Murray a short drive from beautiful downtown Blanchetown. Canoe hire is available as well as the use of a flying fox [if we can find a responsible adult].

Activities available in the area include the Barossa Valley wine district and the towns of Waikerie and Morgan in a 45km radius and of course all the fish you can catch.

The hotel in Blanchetown will have the AFL Grand Final on a big screen Saturday afternoon and the Club can arrange transport for any fans that wish to imbibe.

The usual awards will be available for longest distance male, female, pillion, sidecar etc for both BMW and non-BMW attendees.
